

Do You See What I See?

Assessing Conformational Quality
in Arabian Horses

A No-Cost “up-close-and-personal” full-day clinic
for horse-owners and breeders

Presented by John Shelle, Ph.D. Director
Horse Teaching and Research Program, Michigan State University
This clinic will focus on Form-to-Function Analysis and
Assessment using Arabian horses of various bloodlines.

August 6: Reception 7 p.m.
August 7: Clinic 8:30 a.m.-4 p.m.
Willow Creek Farm 100 Ivy Crest Lane
Forest, VA 24551 (12 mi. west of Lynchburg)

- Dr. Shelle captivates audiences with his wit and expertise.
- 35+ years experience directing the Arabian breeding program at Michigan State University
 - Leading researcher on the heritability of conformational traits in Arabian horses
 - Coach of youth judging teams; Member, National Horse Judging Team Coaches Association

If you are in town for the East Coast Championships in Lexington, we are only an hour!

No reservations are required. Food and beverage available on-site.
